

CRYPTO TRADING LICENSE

License No.: RFX-CT-05230-2239

Issuing Authority: Financial Conduct Executive (FCE)

Date of Issue: July 16, 2026

Valid Until: July 15, 2027

License Holder

Company Name: Bitify Markets

Company Registration No.: 628748923-2339

Head Office: California, United States

Branch Offices: United States of America (Los Angeles)

Scope of License

This license authorizes **Bitify Markets** to engage in the following regulated digital asset activities:

- Operation of a digital asset and cryptocurrency trading platform.
- Cryptocurrency-to-cryptocurrency trading and exchange transactions.
- Cryptocurrency-to-fiat exchange transactions.
- Custody, safeguarding, and management of client digital assets.
- Execution of trades on behalf of clients in accordance with FCE regulations.

Conditions of License

- Bitify Markets shall comply with all **FCE regulations** and applicable UK, US, and international laws.
- Bitify Markets shall maintain a comprehensive **KYC/AML/CTF framework**, including identity verification and continuous monitoring of client activities.
- Bitify Markets shall preserve **segregated client accounts** and maintain sufficient **capital reserves** as directed by the FCE.
- Bitify Markets shall file **quarterly reports** with the FCE and undergo **annual independent audits**.
- Bitify Markets shall provide accessible, 24/7 **customer support** to its clients.

Limitations

- This license does not authorize Bitify Markets to provide securities brokerage, derivatives trading, or lending services without prior approval from the FCE.
- Expansion of services into additional jurisdictions requires prior FCE authorization.

Verification

This license is issued in recognition of Bitify Markets' compliance with the Financial Conduct Executive (FCE) requirements for operating as a regulated crypto trading company.
